SIR,

With reference to your letter No L 2456-64 dated 14th August 1946, selecting the Sanitary Inspectors of Sringeri and Koppa Municipalities for being trained in the Compost Scheme at Shimoga Centre from 1-9-1946, I have the honour to state that it is reported by the President, Municipal Council, Sringeri that the Assistant Sanitary Inspector has to attend to heavy work in connect-ion with the ensuing Dasara and that his presence is very necessary during the months of September 1946 and October 1946 as there is nobody else to attend to the several works Further, both Sringeri and Koppa towns a

are malnad places and compost work cannot be taken up during this season owing to heavy rains I therefore suggest that the training of the Assistant Sanitary Inspector, Sringeri may be postponed till the next batch is deputed for undergoing training.

I have the honour to be
Sir,

Sir,

Subject - Deputation of the Assistant Sanitary Inspector, Nyamti Municipality to undergo training in the Compost Scheme

Adverting to your letter No L 2456-C4 dated 14th August 46, granting the deputation of the Assistant Sanitary Inspector, Nyamti Municipality to undergo training under Compost Scheme for a period of six weeks with effect from 1st Sept'46 I have the honour to state that necessary instructions were issued to the President of the Municipality in the matter

Owing to the prevalence of plague in Nyamti Town in a severe form, the President of the Municipal t reported that the services of the Assistant Sanitary Inspector at the place were essentially required to take preventive measures to - check the spread of the disease In the circumstances it was not possible for him to relieve the official to undergo training in the compost scheme

In this connection I write to state that the holding of the weekly shandy at the place has been postponed in - pursuance of Government Ex Notification No H 344C/P H 37-46-6 dated 8th October 46, with effect from 16th August 46 for a period of ten weeks The infection is still prevailing at the place and the services of the Assistant Sanitary - Inspector are required to look to the sanitation and public health of the Town

In the circumstances I request that the act on taken by the Municipal President Nyamti may kindly be approved

as a special case I am to state further, that the Assistant Sanitary Inspector, may be selected for training in the next batch

I have the honour to be,
Sir,
